

Global Community Outreach & Engagement

- At Barnes, we believe that being a good corporate citizen begins with being a great community leader, which is why we encourage philanthropy, compassion, and change through our Barnes Group Foundation.
- Since 1945, the Barnes Group Foundation has been committed to the support of education, the arts, civic and youth activities, and health-related charities in the communities in which the Company operates. Since 2000, the Foundation has supported more than 500 schools, cultural centers, and health-related charities, helping to ensure a legacy of community involvement for the future.

A Legacy of Learning

The Barnes Group Foundation is strongly committed to strengthening education in our communities.

Raising Spirits Through United Way

Through annual contributions, the Barnes Group Foundation helps United Way empower local organizations to build services ranging from disaster relief and crisis intervention.

Building Culture

We believe that healthcare and the arts in all forms are crucial components to building a strong community culture.

Preserving the Environment

The Barnes Group Foundation is a significant contributor to several environmental causes throughout the world.
